Invitation to the ENTstatistics SUMMIT 2018

Do you already use the Rhinology module from ENTstatistics for the documentation of your treatment data? Are you planning to acquire this program? Would you like to learn from experienced users on how this ENT Database can make your daily routine that much easier, as well as its possible applications when it comes to research and quality assurance? If this is the case, you are invited to attend the 1st Rhinology-ENTstatistics Summit, to be held on 9th November 2018 in Munich, Germany. We look forward to hearing your thoughts and suggestions as well as the associated exchange of information.
